We're collecting shoes for the "Waterman" Project now through August 5th. Our goal is 50 pairs. We are at 52! The secondhand shoes are a valuable product for street vendors to sell at affordable prices. The end users are people who do not have shoes and cannot afford to purchase new shoes. The shoes protect the new owner's feet from foot abrasions, parasites and mites. Funds generated from the export of shoes provide well drilling rigs, water purification systems, and hand pump repair. People who thirst receive fresh drinking water.

Tonight Sunday, July 21-
Thursday, July 25 from 6:00-
8:30 pm. The theme is the Go
Fish Guy and 'Gotta Move-Keepin'
In Step With the Spirit'. If you
would like to send your child to
VBS the registration forms are on the table in the foyer.
